

9 Lost Wells Butte

Riverton, Wyoming

Rural living with great views of the Wind River Mountains. This home is built around the very large garage. This 3 bedroom, 2 bath home is in need of the finishing touches to make it your own.

Located just outside of Riverton, the 16+ acre lot provides the rural living experience while still allowing for in-town conveniences. Plenty of room for horses, dogs, etc.. The oversized garage allows you to store all of your toys and then some, while the large family room has plenty of space for your big screen TV.

Offered at \$128,000
