

Log Cabin in the Mountains

Wonderful Cabin, Beautiful Views

This cozy and charming log cabin and matching 2-car garage were built by *Liesenfeld*. The cabin rests on 4 acres and has a great room, 2 bedroom, 1.5 baths, covered deck, laundry area and walk-out basement. Water is from the Warm Springs Water District. The setting is quiet and serene—secluded without being remote—with majestic mountain views! It has year-round access and is just minutes from town. Seasonal, get-away or retirement...this home is just what the doctor ordered!
