

Beautiful Log Home on Union Pass!

Crooked Creek Subdivision -- Dubois, Wyoming One of the Premier Snowmobile Subdivisions in U.S.!

This beautiful 1,092 sq. foot log home has 2 bedrooms & 2 baths plus a spacious loft that is currently being used as a sitting area. The home has a wonderful wrap-around porch from front to back & has lovely forest views as well as vistas of the Wind River Mountains. The home's interior & exterior have unique burl wood banisters & railings, which add to the rustic charm. There are many special touches throughout this home that make it a one-of-a-kind retreat. The home has an open layout & vaulted pine ceilings. The loft is open to the living area below. There are lots of windows throughout, which allow for lots of light. A large hot tub is located on the covered back porch just outside the sliding glass back doors.

The price includes the lovely furnishings – western décor. The kitchen's appliances are also included – refrigerator, microwave, dishwasher & oven – also the washer & dryer.
