

Red Rocks Home

15 Miles East of Dubois, Wyoming

Lovely 3 Bedroom/2 1/2 bath Home in Red Creek Ranch Subdivision.

This home & property have it all! Everywhere one looks on this 3.44 acre property, he/she will only see gorgeous views and beautiful landscaping. To the west, are vistas of the lovely Red Rocks & Wind River Mountains. Behind the home, are the badlands cliffs & Absaroka Mountains.

There is a beautiful rock/flower garden in the front yard

and a quaint, landscaped pond next to the dining room window. A spacious deck is located in the back of the

home, just off the kitchen's French doors, & looks out over the private & one-of-a-kind landscape.

Subdivision Amenities

The homeowners in this subdivision have access to the Wind River! Enjoy blue-ribbon trout fishing just a short walk from this beautiful home!

If fishing isn't your thing, wildlife watching along this stretch of the river will be. Enjoy discovering the deer, moose, bighorn sheep, bald eagles & limitless numbers of waterfowl that frequent the area!

Horses are very welcome in this subdivision. This home sits on two lots -- with plenty of room for horses!

Located only 65 miles from the entrances to Grand Teton & Yellowstone National Parks!
